

CITY of **Leawood**
Job Announcement

*The City of Leawood, Kansas is seeking a dynamic, collaborative, and innovative individual committed to developing an even stronger community. As we continue to grow, we are seeking an **Experienced Project Engineer** who has experience in project management and engineering to join our Engineering team. The ideal candidate will enjoy the blend of design and project management looking to develop and manage Traffic plans and design along with taking part in the City's public infrastructure projects including streets, bridges, and parks as part of the City's Engineering Design team.*

Primary Functions and Accountabilities:

The Experienced Project Engineer will work with a team of engineers completing project management of the City's traffic projects, public infrastructure projects, and assist in the implementation of the design and construction of private development projects.

Minimum Education, Training and Certifications Requirements:

- Must have a minimum of a Bachelors' degree in Civil Engineering from an accredited engineering school. Must have a minimum of four (4) years of experience in civil engineering design, construction, project management or equivalent experience. Experience in a municipality or public works is preferred.
- Working Knowledge of Uniform Traffic Control Devices and Traffic Impact Studies, and experience in Traffic engineering, preferred.
- Must hold and maintain a valid Certificate of Registration as Professional Engineer (PE) from the Kansas State Board of Technical Professions. If registered in another state, must obtain Kansas registration within one (1) year of hire.
- Must possess a valid driver's license and acceptable driving record per the City's drivers *Use of Vehicles for City Business* policy throughout employment with the City.

Applications will be reviewed on a continuous basis with the Experienced Project Engineer position closing on **Monday, April 15th, 2024.**

Salary: \$71,861.62 - \$88,030.48 / Salary, DOQ
(This is an exempt benefits eligible position.)
